Subject: Label and CSF Notification

Dear Ms. Roberts:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 9/24/13 for **EPA Registration 79533-5**. The Registration Division (RD) has conducted a review of the label and Confidential Statement of Formula submitted with this request for applicability under PRN 98-10 and finds that the change(s) requested falls within the scope of PRN 98-10.

Therefore, the alternate brand name: **Coleman®**; missing phrase 'while spraying' (Directions for Use section); and the revised Basic CSF dated 9/24/13, respectively **are acceptable**. The label has been date-stamped "Notification" and the CSF has been added to the registration file for the subject product.

If you have any questions, please contact me directly at 703-305-6701 or the reviewer, Sherada Hobgood, at 703-308-8893 or e-mail: Hobgood.Sherada@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard J. Gebken".

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Do not spray in enclosed areas. Hold container 6 to 8 inches from skin and clothing with a slow sweeping motion. For maximum protection spread evenly with hand to moisten all exposed skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply over cuts, wounds or irritated skin. Do not spray directly on face. If used on the face, spray on hands first then apply sparingly and avoid eyes. Wipe palms after applying. To apply to clothing, spray shirts, pants, socks and hats. For chiggers and ticks, also spray pant cuffs, socks, and around opening in outer clothing. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over application of this product as frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage cotton, wool or nylon. Do not apply on or near acetate rayon, spandex or other synthetics (other than nylon), furniture, plastics, watch crystals, leather, and painted or varnished surfaces including automobiles.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area inaccessible to children and away from heat and open flame.

DISPOSAL: Do Not Puncture or Incinerate! Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling, if available. **If partly filled:** Call your local solid waste agency (or 1 800-CLEANUP) for disposal instructions.
